

**Duration: 25 minutes**  
**Course Code: ONHS05**

## Course Description:

During this course you will learn how to identify the different types of fire extinguishers that might be installed within your workplace and what situations they might be used in. At the end of the final module you will be presented with a simulation that will test what you've learnt.

## Who Should Attend Fire Extinguisher Training?

- This course would be ideal for staff who have the responsibility of using a fire extinguisher and how to handle the situations in when a fire extinguisher is required.

## Course Contents:

- Fire Extinguishers
- Pre-Engagement Action
- Using a Fire Extinguisher

## Related Courses:

- Basic Fire Safety Awareness | Code: ONHS01
