

Duration: 65 minutes
Course Code: ONHS08

Course Description:

The Control of Asbestos Regulations 2012 apply to employers, employees, self-employed persons and duty holders and cover all work with asbestos containing materials. Regulation 10 of CAR states that every employer must ensure that adequate information, instruction and training is given to employees who are liable to be exposed to asbestos. This includes maintenance workers and others who may come into contact with or disturb asbestos.

As well as informing you about the risks of working with asbestos, the course will deliver a lot more information about: Recognising asbestos, where it's used, minimising the risks and the legislation about working with asbestos.
